Student Testimony

Before coming to Charis, I used to experience timidity and fear due to the sicknesses I witnessed in my family and the deaths that occurred. This fear kept me and my family in bondage. But after coming to Charis and listening to all the teachings on the relationship with God and healing sessions, I have learned that in a relationship with God, He loves us regardless of our performance. Boldly, we can approach the Father. By His stripes, I am healed, and I am already redeemed. I don't have to live in fear. The revelation of the word of God at Charis has truly blessed me and set me free from the bondage of fear.
