STUDENTS' TESTIMONIES

Accepting Jesus into my heart was the best decision I have ever made in my life. Joining Charis was the next best decision I made. My understanding of God improved, the Word came to life, and I realised what Jesus had accomplished for me on the cross. I discovered who I am In Christ. I began a journey of simple and effortless transformation. Thank you, Jesus and Charis.

- Renuka Devi (Part Time)

At Charis I have learnt the Word of God in a deeper level and experienced His love for me. Anyone who is willing to spend five days a week immersed in God's word will also experience transformation by the Word, as it has happened to me. At Charis, I not only learned the Word, but I also put it into practice.
